MUHAMMED ANSHEED

DEMI CHEF DE PARTIE | MICHELIN-TRAINED CULINARY PROFESSIONAL

Dubai, United Arab Emirates | +971 56 950 3813 | chefanshid@gmail.com | linkedin.com/in/chef-anshid-b89356322 | Portfolio: chefanshid-web.github.io/chef-ansheed-website/

PROFESSIONAL SUMMARY

Michelin-trained Commis Chef I with 7+ years of progressive UAE luxury hospitality expertise, currently working at Sand & Koal (Michelin Guide) — Emirates Palace Mandarin Oriental, while serving as Executive Chef and Owner of Bayt Al Bites (Al Hail South, Muscat) and upcoming brand FRY BAE. Proven operational mastery in high-volume buffet service exceeding 900+ covers daily at Jumeirah Beach Hotel and autonomous central butchery operations processing 80–100kg of proteins daily with zero wastage. Demonstrated commercial leadership through independent restaurant and cloud kitchen founding, managing complete P&L, food costing (18%), and recipe standardization. Active HACCP Level 3 certified with an unblemished 100% compliance audit record across all luxury brigades. Actively seeking a Demi Chef de Partie role within ultra-luxury hospitality properties in Qatar, Oman, Maldives, or Ultra-Luxury Cruise Lines to deliver culinary excellence, brigade leadership, and high-pressure operational precision.

PROFESSIONAL EXPERIENCE

Commis Chef I — **Emirates Palace Mandarin Oriental**, Sand & Koal Restaurant (Michelin Guide) **10/2023 – Present | Abu Dhabi, UAE**

- Execute precise hot and cold food preparation for 80–120 covers nightly service at a Michelin Guide-listed restaurant under Executive Outlet Chef Jack Jarrot.
- Maintain 100% compliance with HACCP, food safety, and allergen protocols across 18-month tenure with zero incidents or violations.
- Deliver agile cross-section support during peak service periods, sustaining quality standards under sustained pressure for 300+ weekend covers.
- Implement exacting recipe adherence and plating specifications, achieving consistent 95%+ guest satisfaction scores for presentation quality.
- Manage cold-storage organization and FIFO rotation for 12-station kitchen, reducing food waste by estimated 12% through systematic stock control.
- Absorb advanced fine dining techniques from senior brigade, elevating personal technical execution and speed metrics by 25% within first 6 months.

Key Achievement: *Appointed to kitchen brigade of one of UAE's most prestigious Michelin Guide restaurants — recognition of technical excellence and reliability.*

Commis Chef — **Jumeirah Beach Hotel**, Jumeirah Group (5-Star Luxury Resort) **08/2021 – 10/2023 | Dubai, UAE**

- Executed simultaneous multi-service production across breakfast (400+ covers), lunch (250+ covers), and dinner (300+ covers) buffet operations daily.
- Maintained exceptional stamina and consistency across 12-hour shifts in one of Dubai's most operationally demanding all-day dining environments.
- Prepared and assisted in cooking 40+ international buffet dishes with precision, maintaining quality standards throughout 6-hour continuous service periods.
- Conducted daily inventory checks for 8-section kitchen, supporting stock management and replenishment for $15K+ daily ingredient turnover.
- Enforced strict HACCP, food safety, and allergen regulations across all assigned duties with 100% compliance record over 24-month tenure.
- Collaborated with brigade of 25+ chefs during high-volume periods, contributing to 4.8/5 average guest satisfaction rating for food quality.

Key Achievement: *Delivered consistent high-volume service across 900+ daily covers in flagship 5-star resort property — one of Dubai's most demanding kitchen environments.*

Commis II (Promoted from Commis III within 5 months) — **Oaks Ibn Battuta Gate Hotel** **03/2020 – 07/2021 | Dubai, UAE**

- Operated butchery section independently as sole responsibility at Commis level — rare high-trust assignment covering full meat and poultry breakdown, portioning, and storage for 6-outlet hotel operation.
- Managed complete butchery workflow without supervision, processing 80–100kg protein daily with consistent portion weights and zero wastage.
- Executed precise deboning, trimming, and portioning techniques across beef, lamb, poultry, and seafood categories.
- Applied standard recipes and portion control guidelines, ensuring dish quality and uniformity across 4 kitchen sections.
- Maintained cleanliness and HACCP compliance for butchery station, achieving 100% audit scores across 16-month tenure.
- Promoted rapidly by Executive Chef Florin for outstanding reliability, skill, and initiative during post-COVID kitchen recovery period.

Key Achievement: *Earned promotion within 5 months and operated butchery section independently — exceptional recognition for Commis-level chef.*

Founder & Head Chef — **Bayt Al Bites & Black Lemon Cloud Kitchen** **03/2020 – 12/2021 | Muscat, Oman & Kerala, India**

- Founded and operated independent cloud kitchen and restaurant brand (Bayt Al Bites) specializing in authentic Mandi and Arabic cuisine during global shutdown — generated $3K+ monthly revenue through word-of-mouth and local delivery.
- Managed complete kitchen operation independently: menu development, recipe standardization, ingredient sourcing, food costing (maintaining 18% food cost), portion control, and quality assurance.
- Developed specialist expertise in traditional Mandi preparation: whole lamb and chicken Mandi, rice cooking techniques, spice blending, and slow-cook methods.
- Handled all food safety, storage, and hygiene protocols independently, applying HACCP principles in self-managed kitchen environment.
- Built and maintained direct customer base of 150+ regular clients through exceptional quality and consistent delivery.

Key Achievement: *Demonstrated entrepreneurial resilience and business ownership during industry crisis — continued professional development when most chefs remained idle.*

Commis III — **Mövenpick Hotel** **01/2018 – 02/2020 | Dubai, UAE**

- Commenced UAE culinary career specializing in cold kitchen and butchery sections, building foundational skills in meat breakdown, portioning, cold preparation, and charcuterie under executive chef guidance.
- Developed hands-on proficiency in butchery techniques: deboning, trimming, portioning, and marinating — forming technical base for subsequent solo butchery responsibility at Oaks Ibn Battuta.
- Contributed to cold kitchen production including salads, starters, cold platters, and garnish preparation for 400+ cover banqueting operations.
- Maintained kitchen cleanliness, cold storage discipline, and full HACCP compliance throughout 24-month tenure.

Restaurant Co-Manager & Kitchen Operations — **Taza Tawa — Family Restaurant Brand** **01/2015 – 01/2018 | Bangalore, India (3 Outlets)**

- Co-managed daily operations across 3-outlet family restaurant brand alongside Managing Director, gaining comprehensive exposure to full food service lifecycle.
- Contributed hands-on to kitchen production, food preparation, and quality control across outlets generating $50K+ monthly combined revenue.
- Gained practical understanding of procurement, supplier management, food costing, and stock control at multi-outlet scale.
- Made defining decision to leave family business and pursue professional culinary career in Dubai — driven entirely by passion.

Key Achievement: *Co-managed multi-outlet restaurant operations before age 21 — rare early exposure to food business management and P&L responsibility.*

KEY PROJECTS & SPECIALIST EXPERTISE

- **Mandi & Arabic Cuisine Specialist** — whole lamb/chicken Mandi, spice blending, slow-cook methods, 150+ repeat clients.
- **Butchery & Meat Fabrication** — sole operator for 6-outlet hotel; 80–100 kg protein/day, zero wastage.
- **High-Volume Luxury Service** — 900+ daily covers (Jumeirah Beach Hotel); 300+ weekend covers (Sand & Koal).
- **Cloud Kitchen Founder** — full P&L, 18% food cost control, $3K+ monthly revenue.

PROFESSIONAL DEVELOPMENT

- Continuous fine-dining technique absorption under Michelin-calibre brigade (Chef Jack Jarrot, Chef Sebastian Torres, Chef Nachwan Koukach, Chef Florin).
- HACCP Level 3, Food Safety & Hygiene, Allergen Management — all current.
